

Masters of stock and ore.

Resourceful. Resource full. The Fox Tucker Mining and Resources team knows how to make things happen. Direct connections with a vast network of Chinese investors. Product suppliers. Mineral buyers. We have an office in Shanghai. Cooperative agreements with many Chinese law firms. And the experience and expertise to oversee your project once off the ground. Indeed, one of us is involved in the operation of a successful Australian mine himself. Want results? Let's talk. [Exploration sans obligation.]
